Re: *Ferguson v. Martin's, Inc.*, Civil Action 02-3193 (MJG)
United States District Court for the District of Maryland

Dear Judge Bredar:

This letter is to inform the Court that the issue raised in the plaintiff's emergency motion for protective order has been resolved. We attempted to avoid having this case referred to a Magistrate Judge by submitting a letter to the Chambers Judge yesterday morning. See letter to Frederick Brandes, carbon copy to Judge Andre M. Davis.

Attached to this filing is a proposed order denying the motion as moot. Counsel for the plaintiff stated to me that he withdraws his emergency motion and will notify the Court in writing this afternoon.

Respectfully,

Jeffrey M. Geller
